## Glencoe NTS Young Naturalists Club Notes for Parents

Welcome to the Glencoe Young Naturalists Club. Please take time to read this information sheet, and the general 'Information for Parents' sheet provided. If you have any further questions please do not hesitate to get in touch.

### **Dates & times:**

The Club meets once a month at The National Trust for Scotland Visitor Centre on Saturdays, usually from 10.30am to 12.00pm. Dates and venues are given on the programme attached, which also provides a summary of what the children will be doing. The meeting points for the venues are included on the programme – please bring your child to & collect them from the meeting point and not the car park.

### **Membership Fee:**

There is no charge for membership.

### **Group Leaders:**

Group Leaders are NTS staff and volunteers. Information relating to their recruitment and training is provided in the general 'Information for Parents' sheet. If you, or someone you know, are interested in becoming a Group Leader, or simply lending a pair of hands, then we would be delighted to have the help. Please speak to a Group Leader for further information.

### **Child Safety:**

Information relating to child safety is covered in the general 'Information for Parents' sheet. If you have any concerns at any time, please speak to a group leader, or contact the Regional Education Officer.

### **Behavior:**

Although the club is a fun event, for the safety and enjoyment of other children in the club it is important that all children are well behaved. If a child is causing problems we will discuss this with the parents of the child. If the problem persists we will not allow them to take part in the club and will refund membership fees.

### **Clothing:**

Please ensure that children are suitably dressed for each meeting. We are likely to be doing "messy" activities, and where we are going outside it is essential that they have warm clothes, a waterproof jacket and sensible shoes. Even when we are inside, it may not be warm!

### **Annual outing:**

As the club is fully established, I would like to make an outing to another NTS property once a year. Further details will be sent nearer the time, and we will require separate consent for this. We would very much appreciate the help of any parents who would like to join us for the outing.

### **Staying with your child:**

Parents are most welcome to stay with the club.
